A BRAND OF
EICHROM TECHNOLOGIES

Welcome

Eichrom Technologies User's Group Meeting

Held at the 59th RRMCC Conference – Tuesday, 22 October 2013
DoubleTree by Hilton Sonoma Wine Country
Rohnert Park California

Agenda for the Eichrom User's Group Meeting

- **Welcome and Introductions:** Terry O'Brien & Mike Fern
- **I Always Wanted A CS Resin** – Larry Jassin
- **Separations using TEVA Resin** – Andrew Knight
- **Rapid Preparation Method for the Measurement of Trace U-232 in HEU using Resolve Filters,** - Joe Giaquinto
- **Technical Challenges with Divalent Cation Mitigation** – Eric Eitriheim
- **Shielding Properties** – Dan McAlister

Eichrom Technologies Staff

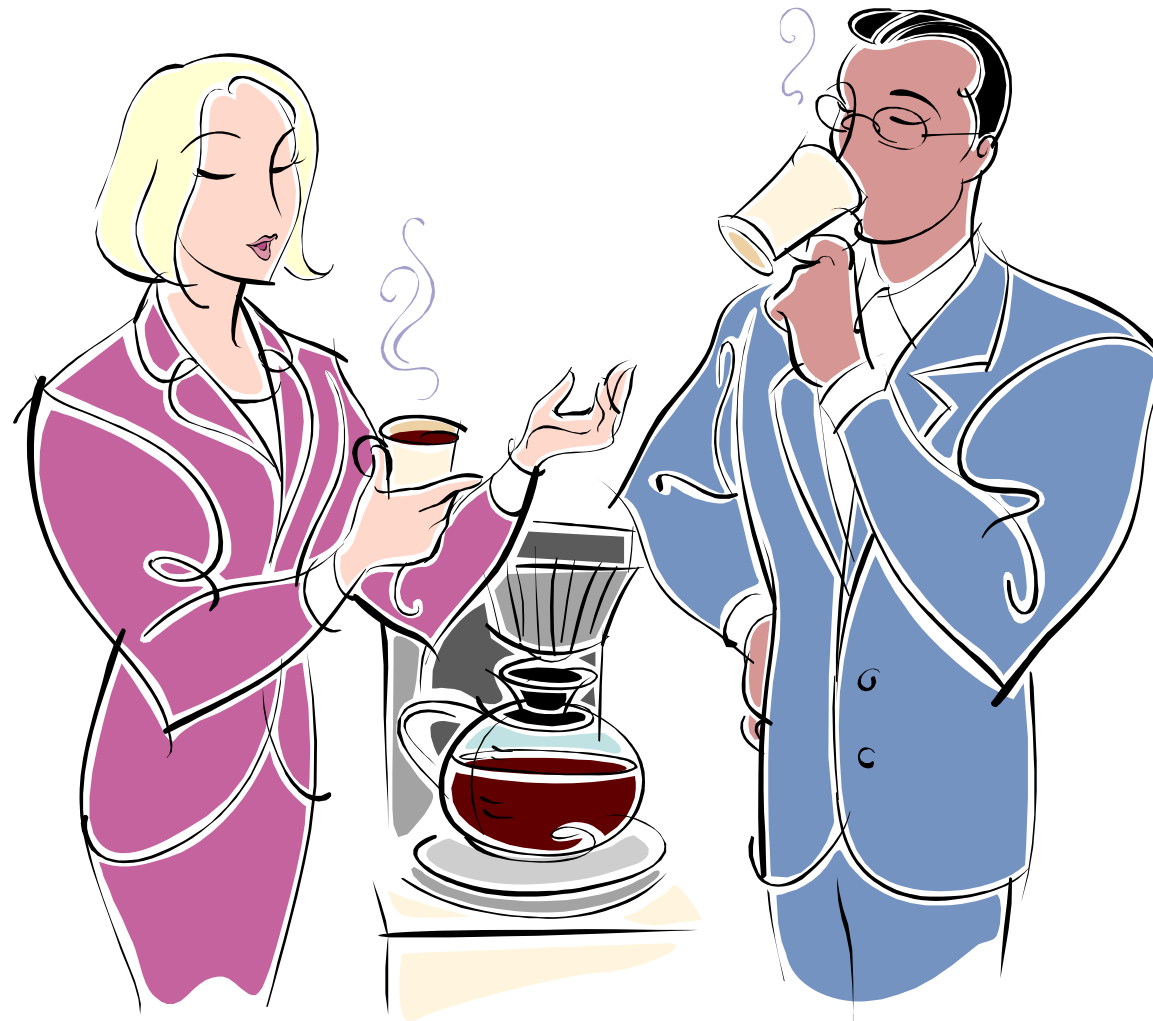

- Mike Fern – President
- J van de Linde – Director of Sales
- Larry Jassin – Director of Business Development
- Dan McAlister – Senior Chemist
- Terry O'Brien – Technical Sales Scientist
- Tara Grosrenaud – Marketing Communications Manager

Agenda for the Eichrom User's Group Meeting

- **I Always Wanted A CS Resin** – Larry Jassin
- **Separations using TEVA Resin** – Andrew Knight
- **Rapid Preparation Method for the Measurement of Trace U-232 in HEU using Resolve Filters**, - Joe Giaquinto
- **Technical Challenges with Divalent Cation Mitigation** –
Eric Eitrheim
- **Shielding Properties** – Dan McAlister
