

What's New With Eichrom

- Strengthening our QC Commitment
 - Sarah Pifer joins our team
- Collaboration is at the core of how we participate in our customer's success
- Your support gives us the foundation to broaden our product offerings

FINALLY, A BETTER WAY TO TEST FOR DIOXINS

Procept, the rapid dioxin assay that's faster and more affordable, with all the power to measure toxicity directly.

- **24 to 48 hour turnaround**
- **1 ppt detection limit**
- **Easy sample preparation**
- **Ah receptor technology**
- **Chemistry laboratory compatible**
- **A fraction of the cost of GC-MS testing**

eichrom
Expertise. Commitment. Results.
